

FPA Houston Foundation Golf Classic

Second Annual FPA Houston Foundation Golf Classic A picture is worth a 1000 words....

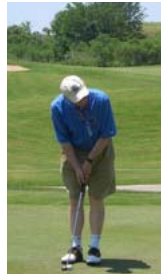

The second annual FPA of Houston Foundation Golf Classic was held Tuesday, May 19th at the well-manicured Wildcat Golf Club in Houston, Texas.

Over 50 golfers and sponsors came out for a day of golf and networking and the FPA of Houston Foundation was able to raise proceeds that will be presented later this year to the non-profit local literacy organizations that we support.

Thanks to all who made the 2009 Golf Tournament as large of a success as it was. Special thanks to Shannon Pike who chaired the event.

Dates and details for the third annual FPA of Houston Golf Classic will be announced over the coming months. We hope to see you there!

All proceeds benefit the FPA of Houston Foundation to support our mission of "Promoting Financial Literacy in the Greater Houston Area" and our grants will go to the following local organizations.

Warming up!
